

A diagram of a microarray layout showing four quadrants labeled M1, M2, M3, and M4. Each quadrant contains a grid of spots. A central vertical strip separates the left and right halves, and a horizontal strip separates the top and bottom halves. The spots are colored in a repeating pattern of green, blue, and red. The labels M1, M2, M3, and M4 are placed in the center of each quadrant. The entire layout is enclosed in a thick black border.
